Roadway Widening and Reconstruction

This is a cross-regional project involving Regions 2 & 3 with Region 2 taking the lead during construction. A design-build contracting method has been chosen for this project in order to move it forward to address traffic needs on this busy corridor in a timely manner. Roadway improvements focus on safety concerns and reducing traffic congestion. One lane will be added in both directions on SR 68 (Redwood Road/ Camp Williams Road) from Bluffdale, in Salt Lake County, to SR 73, near Saratoga Springs, in Utah County. Shoulders and bike lanes will be added, along with curb and gutter in some locations. Construction will begin in spring 2008 and last through summer 2010.

Currently identified budget: \$82 million

Legislative Districts:

Senate: 11

House: 56, 52, 41

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Advertising Date:

DECEMBER 2007

Municipality (ies): In Region 2—Bluffdale City, near Herriman & Riverton Cities
In Region 3—Saratoga Springs, near Lehi & Eagle Mountain

Take care of what we have • Make the system work better • Improve safety • Increase capacity
